

The NA Vocation Ministry Team thanks you for your support thus far in Vocation Ministry. Looking back on the feedback we received from the Province Assemblies we understand wholeheartedly that Vocation Ministry is the work of each SSND to promote the mission, charism and future of SSND.

Please consider helping the Vocation on one of our many projects. The Vocation Team promises to help, plan, assist, and promote any vocation related program that is agreed to below.

Be an outward sign of vocation ministry team. Read over the items below and check as many boxes as you feel called to. Please return all forms to:
