Exploring who we are in the original root of our being

This silent retreat includes morning rituals and presentations, time to commune with nature in this pristine habitat, supportive videos and an optional sharing each day. Retreat concludes with a hermit day outdoors with Earth.

Presentations will explore the deep memory of

- ✦ the universe, Earth, and ourselves
- ✦ feminist, indigenous and Celtic spiritualities
- ✦ Jewish and Christian traditions
- ✦ our local bioregions

Our Lady of the Prairie Retreat

is a ministry of the Congregation of the Humility of Mary, located in rural east central Iowa on a 200-acre native prairie grass woodland along the Wapsipinicon River. The Prairie offers quiet beauty conducive to personal prayer and reflection. Includes: a 2.5 mile cosmic walk, outdoor labyrinth, pond, 130 acres of rolling prairie grasses, 30 acres of woodland, and accessible rooms. Food is grown organically at The Prairie. All meals are vegetarian. Consult with us about special dietary needs.

Contemplating the beauty

of our deepest identity
as blessed human beings
in an ancient universe
on our sacred Mother Earth
will guide us into action
on behalf of the whole Earth community.

*We shall awaken from our dullness
and arise vigorously toward justice.*

*If we fall in love with creation
deeper and deeper,
we will respond to its endangerment
with passion.*

Hildegard of Bingen

*At the heart of our being
is the image of God,
and thus the wisdom of God,
the creativity of God,
the passions of God,
the longing of God.*

John Philip Newell
