

# IN SOLIDARITY WITH ALL CREATION

Oh how beautiful are your ways, O God,  
the works of your creation.

Raise our consciousness to know and feel deeply  
in our hearts our connectedness to all that is.

Instill in us the gift of being co-creators  
and sustainers of LIFE.

Teach us new and unsuspected ways of living  
so that current and future generations  
can walk humbly in beauty,  
love all compassionately,  
and live justly in solidarity with all creation.

Loving and gracious God, give us the courage to  
seek this transformation of self and society  
and the strength to see it through.  
Amen.

# PROMOTING SUSTAINABILITY

## MAKING A DIFFERENCE

The Green Habit Campaign is an initiative of the School Sisters of Notre Dame Green Team to recognize and promote sustainable living practices.

The basics of the campaign are very simple. Let's identify our existing green habits, hold them up so we may inspire each other, and see what a difference we can make together!

*"Alert to rapidly evolving conditions in a changing society, we discern which world conditions we are called to address . . . and what the urgent educational needs of our times are."*
