## Helping to keep the Sisters “Healthy”!

SSND ministry in Africa is an apostolate to rural communities bringing education and healthcare to predominantly malaria endemic areas. Consequently, our sisters are also exposed to such health hazards especially malaria, typhoid etc which are prevalent in these communities. Coupled with the fact that the median age of sisters in the province is approaching 42 years, the rising cost of healthcare and medical bills more often than not upset our projected budget for the year. These challenges threaten to cause setbacks to our mission in Africa. **Proceeds from this year’s quilt raffle will go to the Sisters Health Fund!**
