when something in our hearts

in our minds

collapses  
and  
crumbles

those spaces make our hearts

larger

GG 1

sorrow

*fills* the space  
where love lived,  
until joy returns  
and love becomes timeless.  
*It takes as long as it takes.*

GG 2

*into* the loss . . .

- a few steps •
- a few moments •

a few breaths at a time

GG 3

*Life  
unfolds*

through us  
to the *grace* that lives  
in our grief.

GG 4

give your loss

all the space  
and shelter

that is its' due
