

Reflection questions for *WHY TRINITY?*

Upon listening to this graced history of ours, what **thoughts and feelings** arise?

What touches your inner being? What generates desire?

Complete the sentence: **I wish . . .**

What do you notice about Trinity in our history? What does that mean for you?

While listening, did you notice any **“aha” moments** . . . what was it that resonated within you?

How do **you** see the grace of God revealing the Trinity to SSND through Blessed Theresa and our SSND gatherings of discernment? How would **you** express this movement of God in our living history?

What prayer would you offer to our Triune God?
