

Prayer for a SSND School

Provident God,

We give thanks for all good things that come our way. We give you praise, God, for relationships that nurture, food that sustains, education that empowers and belief, trust and faith that impels us to turn to You.

We come this day, at this time, to pray for the needs of __ (school name) _____ - this mission that opened in __ (date) ____ on the shoulders of the dream that preceded it. It is the ministry of many, hope for the students and their families and another widening beneath the tent of Blessed Theresa of Jesus.

It is her intercession we seek, this woman who said,

“In and with God everything is possible...”

“Do not lose courage. Jesus will stand at your side.”

“When the Lord blesses, a little bread is enough for many”

"Love gives everything gladly, everything again and again, daily."

God responds when we ask for what we need. Let us offer our petitions with confidence.
